

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF OHIO  
EASTERN DIVISION**

**WAYNE R. JOHNSON,**

**Plaintiff,**

**v.**

**Civil Action 2:17-cv-1001**

**Judge Algenon L. Marbley**

**Magistrate Judge Elizabeth P. Deavers**

**TIMBERWOLF LITIGATION,**

**Defendant.**

**REPORT AND RECOMMENDATION**

On November 15, 2017, Plaintiff filed his Complaint, but failed to pay the filing fee. (ECF No. 1.) On November 17, 2017, the Court ordered Plaintiff to pay the filing fee or apply to proceed *in forma pauperis* within thirty days. (ECF No. 2.) The Court cautioned Plaintiff that failure to do so would result in dismissal of this action for failure to prosecute. (*Id.*) On December 5, 2017, the Court's order was returned by the Texas state William P. Clements correctional unit because Plaintiff's name and inmate number did not match any incarcerated individual. (ECF No. 3.) Court personnel's attempts to identify Plaintiff with the help of the Texas correctional staff have all failed.

"When a prisoner files a complaint in the district court, the inmate must either pay the entire filing fee, or request leave to proceed *in forma pauperis* 'without prepayment of fees or security therefor' under 28 U.S.C. § 1915(a)(1)." *In re Prison Litig. Reform Act*, 105 F.3d at 1131 (citing 28 U.S.C. § 1915(a)(1)). "Submission of an sufficient affidavit and a certified trust fund account in accordance with [§ 1915(a)(2)] are statutory requirements for proceeding *in*

*forma pauperis.*” *McCullough v. Fed. Bureau of Prisons*, No. 13–10282, 2013 WL 2147001, at \*1 (E.D. Mich. May 16, 2013) (citing *McGore v. Wrigglesworth*, 114 F.3d 601, 605 (6th Cir. 1997) (overruled on other grounds)). The United States Court of Appeals for the Sixth Circuit describes the Court’s responsibility when an individual has failed to pay the filing fee or submit the required forms as follows:

If an inmate not paying the full filing fee fails to provide an affidavit of indigency or trust account statement, the district court shall notify the prisoner of the deficiency and the prisoner shall have thirty (30) days from the date of the deficiency order to correct the error or pay the full filing fee. If the prisoner does not comply with the district court’s directions, the district court shall presume that the prisoner is not a pauper, and assess the inmate the full amount of fees. The district court must then order the case dismissed for want of prosecution.

*In re Prison Litig. Reform Act*, 105 F.3d at 1132.

To date, Plaintiff has failed to respond to the Court’s Order. This matter is, therefore, before the Court for consideration of Plaintiff’s failure to comply with its Order and failure to prosecute. For the reasons set forth below, it is **RECOMMENDED** that Plaintiff be **ASSESSED the full filing fee of \$400.00**. It is further **RECOMMENDED** that this action be **DISMISSED** without prejudice.

### **PROCEDURE ON OBJECTIONS**

If any party seeks review by the District Judge of this Report and Recommendation, that party may, within fourteen (14) days, file and serve on all parties objections to the Report and Recommendation, specifically designating this Report and Recommendation, and the part in question, as well as the basis for objection. 28 U.S.C. § 636(b)(1); Fed. R. Civ. P. 72(b). Response to objections must be filed within fourteen (14) days after being served with a copy. Fed. R. Civ. P. 72(b).

The parties are specifically advised that the failure to object to the Report and Recommendation will result in a waiver of the right to *de novo* review by the District Judge and waiver of the right to appeal the judgment of the District Court. *See, e.g., Pfahler v. Nat'l Latex Prod. Co.*, 517 F.3d 816, 829 (6th Cir. 2007) (holding that “failure to object to the magistrate judge’s recommendations constituted a waiver of [the defendant’s] ability to appeal the district court’s ruling”); *United States v. Sullivan*, 431 F.3d 976, 984 (6th Cir. 2005) (holding that defendant waived appeal of district court’s denial of pretrial motion by failing to timely object to magistrate judge’s report and recommendation). Even when timely objections are filed, appellate review of issues not raised in those objections is waived. *Robert v. Tesson*, 507 F.3d 981, 994 (6th Cir. 2007) (“[A] general objection to a magistrate judge’s report, which fails to specify the issues of contention, does not suffice to preserve an issue for appeal . . . .”) (citation omitted)).

Date: February 26, 2018
